## A SEASON FULL OF PROMISE

**A**fter the club's very successful season in 1994/95, the new Committee has set itself some important targets. The key challenge will be to consolidate our on-field success as a number of teams move up the grades.

To this end, Sean Carroll has once again been appointed First Eleven captain/coach, with Noel Barrow as vice captain and Tim Gallagher as deputy vice captain. After a well deserved flag in 'C Grade', their aim will be to maintain their momentum and try for a spot in the finals of a higher grade. The Second Eleven, on the other hand, under the leadership of new captain Dirk Barrow, will not be satisfied with anything less than the ultimate prize after a disappointing finals series last March. The Third Eleven has also undergone a change of leadership, and Dave Jansen and Greg Snape will be looking for a more committed effort that makes them a more competitive unit in their grade. The Fourths, under the successful flag-winning combination of David Snape and Paul Booth, will not be allowed to cruise after being promoted up the

ranks, and early wins will be a priority in order to establish their credibility against new opponents. The Fifth Eleven, promoted despite only moderate success, will benefit from the return of Premiership captain Ron Fauvel, and will also be anxious to score some early wins in a different grade.

But on-field performances are not the only challenge the club faces. A sound financial base needs to be achieved so that the club can avoid living a precarious, hand-to-mouth existence.

All major debts have now been cleared thanks in no small part to the astute financial management of the Treasurer. Now the task is raise our financial capabilities in order to bring about improvements to the clubrooms, making them more attractive to players, supporters and opposition clubs. A first step in this process will

be to up-grade the unduly neglected honourboards, and to ensure that all team photographs are repaired and appropriately displayed. The Committee will also be meeting soon to draft the long awaited 'Five Year Plan', as they seek to establish important goals for this season and beyond.

## ROUND ONE IN SEASON 1995/96

### FIRST ELEVEN

In their opening rain affected one-day game, the First Eleven in 'A Grade' suffered the first of their ten defeats for the season. After winning the toss and batting first, we were soon in trouble at 4/4 with ducks to Tony Barry and Dave Norris. 'Wally' Allison then made the score respectable with a well made undefeated half century. At 3/71 West Bentleigh were never in trouble and ran out easy winners. Final scores were West Bentleigh 6/125 (C.Perturzo 3/27, A.Burridge 2/38) defeated CSCC 5/102 (M.Allison 56 not out, G.Corke 26).

### SECOND ELEVEN

The Second Eleven in 'C Grade' fared little better in a similarly poor season. Sent in to bat, our two openers top scored for the team as no other players made double figures. 'Penguin', however, was the only one to distinguish himself with a duck, his first of three for the season. Final scores were East St.Kilda 4/122 (C.Smith 2/21, D.Arthur 1/16) defeated CSCC 10/88 (N.Duncan 29, N.Kenna 14). It goes without saying that Nick was involved in a run out with Neil!

## ROUND ONE IN SEASON 1995/96

### THIRD ELEVEN

Things went from bad to worse in the Third Eleven game in 'F Grade', also against East St.Kilda and played at Lord Park. Carnegie South lost its first four batsmen for no score, and the tailenders, including Robbie Oldershaw, David Snape and Keith Towers, all made ducks in a miserable total of 49. Two stumpings by Arie Dekel failed to have any impact on the opposition run chase. Final scores were East St.Kilda 7/138 (D.Snape 3/27, S.May 3/59) defeated CSCC 10/49 (M.Kirkwood 32, P.Moait 10).

### FOURTH ELEVEN

The Fourths, in 'H Grade', managed to play a two day game despite the rain, but suffered the ignominy of an outright defeat. With only nine players, not one batsman made double figures in the first innings, while Melbourne Wanderers made a game of it with an early declaration. It is interesting to note that Noel Dettman took a catch as a substitute on the first day, obviously making the trip to Fawkner Park when the Seconds were washed out. Final scores were Melbourne Wanderers 3/46 dec. (R.O'Connor 2/21) and 4/91 (R.O'Connor 3/33) defeated CSCC 8/21 (G.Snape 5) and 8/112 (R.O'Connor 42, D.Harris 18). In a rear guard action, Billy Capper was left stranded on 13 not out! Notable absentees from the team were Stuart Warren and Rob Hess, who were both holidaying in India at the time.

## ROUND ONE IN SEASON 1995/96

### FIFTH ELEVEN

The 'God Squad' started with all guns blazing in their 'J Grade' game. Also playing at Fawkner Park (their home ground in this season, believe it or not), the Dingley Union boys batted first and rattled up a big total with the Brewer brothers in fine form. Carnegie were always in the hunt in this high scoring one-day game, but they fell just seventeen runs short. Final scores were Carnegie South 4/218 (M.Brewer 90, G.Crouch 60, P.Brewer 38 not out) defeated Carnegie 7/201 (M.Brewer 4/32, A.Clarke 2/93).

## NEXT ISSUE

*At The Crease* will be published on a regular basis in season 1995/96. If you would like to contribute an article please see Rob Hess or Dirk Barrow. Selected back issues are available on request.

Special thanks to Ken Pooley for generously arranging for the printing of this newsletter. (A few more rounds of bad golf and he may find the idea of comeback attractive !)
